

Turnaround Testimonies From Encounters @ SHILOH

Viewing Centres

Long before the advent of internet technology or at least, before it became available for public use, that is, some 37 years ago, God revealed this technology to me when He said, **“As you speak from one spot, it shall be seen on the screen around the nations of the world at the same time”** that was back in April 10, 1982 to be precise.

Furthermore, there was also the vision of a great house that came down from heaven and broke into splinter houses as it landed on the earth and the same fire burning on the altar of the great house was seen burning on the altar of the splinter houses.

This implies same impact in all congregations of Winners, whether on ground here in Canaanland or in any other part of the world, as we transmit our services live through the internet across the nations of the earth.

This is why the impact of Shiloh in all the viewing centers has been the same as we have it here on ground at Canaanland.

The following selected testimonies from our various Shiloh Satellite Viewing Centers further validate this claim:

1. Kidney Cancer Healed

I was diagnosed to have kidney cancer four years ago. The pain was too much that I never had a good sleep during those periods. I couldn't bend down, stand for a longer

period of time or do some of the domestic work. As God's Servant Bishop Oyedepo ministered during the encounter night, he mentioned my case and the pain left me completely, now I am totally free — *Evelyn Tukumbama* — (Ethiopia)

2. Shiloh Quadruple After Waiting For 12 Years & 5-Failed IVF

We joined Winners Chapel in May 2017. We have believed God for the fruit of the womb for 12 years, we have had five-failed IVF treatment.

During Shiloh 2017 which was our first SHILOH, we were focused and attended most sessions. The only request I had on my Shiloh expectation card was the names of our expected children. During the Shiloh babies thanksgiving, we danced and looked expectantly for our Word and at the catch up moment, Papa; our prophet Bishop David Oyedepo faced my husband and his eyes focused on my husband's eyes declared " God says your prayers are answered, just give me a harvest of praise. We knew God of SHILOH has visited us.

In May 2018, I became pregnant without knowing, I thought I was sick and today 6th December 2018 during SHILOH, The God of this great commission has wiped away the shame of 12years barrenness and has blessed us with quadruplets 2 boys and two girls. All praise and glory be to the God of Shiloh. — *Mr & Mrs Chijok Ubah* (Dartford, London)

3. Shiloh Miracle Baby

I got married 20yrs ago, since then, I been looking for the fruit of the womb. Because of this challenge, my marriage was threatened; my husband ran away. In frustration, I moved from place to place in desperation, seeking solutions to my predicament. I was invited to Winners chapel by a sister who was concerned about my ordeal.

During Shiloh 2011 I was in the church here for the live satellite viewing. I prayed during the Shiloh event and asked God for a child to put an end to my misery. God answered the prayers I prayed at Shiloh. To the glory of God, I conceived immediately after Shiloh. To the glory of God, I gave birth to a beautiful baby girl in September, exactly nine months after Shiloh, thus, terminating 20 years of barrenness. To crown it all, God also answered my prayers of marital restoration- my husband came back very happy and apologetic. Right now, I am enjoying my marriage like never before. — *Roselyn, S.* (Kenya)

4. Can Now Hear After 12 Years

For the past 12 years, I have had a problem with my ear. I couldn't hear and at the same time the ear was very painful. Yesterday during the last day of Shiloh, when Bishop David Oyedepo was ministering, he told us to place

our mantles on our foreheads. Immediately my ear popped up and now I can hear. To God be all the glory.
— *Billy, P. (Congo Kinshasa)*

5. 10 yrs Business Stagnation Broken!

"I am here to return all the glory to God for destroying stagnation in my business. I am involved in real estate business, but I had never been serious with God since the past 10 years that I have been in this church. This has caused lots of harm for me in my business. I had never paid a dime as tithe during these years. Also, I had never attended Shiloh fully. But last year Shiloh, I participated fully and decided to change my ways. When I took that decision and paid my Shiloh sacrifice, things began to change for good. There was a striking word from Papa that hit me during Shiloh and as I pondered over it, my understanding came alive. For the past 7 years, I had not been able to complete any of my properties; most of them are either at foundation or lintel level. However, after returning from Shiloh, I started a project and by the special grace of God I completed it just in 1 month 3 weeks. Praise the Lord." — *Ben Agare - (Goshen, Abuja) Viewing Centre.*

6. 16-Year Partial Deafness Healed!

"I joined this Commission in November 2015. Prior to that time, I suffered from partial deafness. My ears were blocked and I could not hear when people talked to me. At first my parents thought I was pretending, but soon realized that I was saying the truth.

When I came to Lagos to stay with my aunt, she noticed that I could not hear when she called or talked to me. She gave me anointing oil to anoint my ears and told me that I must attend Shiloh 2015.

While at one of the viewing centres during Shiloh 2015, Bishop David Oyedepo instructed us to put our hand on the part of our body where we had challenges. I placed my hands on my ears, after which I felt something come out of it and air began to enter. Now, I can hear clearly. I give God all the glory!" — *Aigbe Precious (Lagos)*

7. Hepatitis B Gone!

"In 2014, I was invited to Shiloh in Taraba State by a friend and I was at the viewing centre. During one of the night sessions, the Bishop said we should write the issues we wanted to end in our lives, drop the paper on the floor, step on it and begin to give God praise. I obeyed.

The next morning during the Shiloh Prayer Hour, the Bishop declared, 'Someone's story is going to change this very morning!' I stood up and said, 'Yes, it's me.'

Prior to that time, I was diagnosed with Hepatitis B and was on medication for a while. So, I went back to the hospital that same day for a test. To the glory of God, the result was negative. — *Ambi Danjuma (Taraba, Nigeria)*

8. Divine Healing via Prophetic Declaration

My first time at Shiloh was this year (2018), meanwhile, I had lumps in my breast for 4 years. During one of the ministrations, Papa made some declarations against sickness and disease, and I instantly received my healing. I give God all the glory. — *Evelyn Candy (Ghana)*

9. Healed Instantly Of 6 Years Breast Tumors and Ulcers

On 9th December, 2014, I had severe ulcers, that I couldn't move out from my chair. One of our members suggested taking me to the hospital but I refused. I was also diagnosed of tumours in my breast. During prophetic declaration Papa said we should NOT go back home with any sickness.

I decided to camp in the church, attended all the healing school, where we were prayed for and administered the Shiloh anointing oil and the mantle.

I suddenly noticed that Jesus the great physician had operated my breasts and removed many tumours in my breast and the severe pains in my breast had disappear instantly. Also the ulcers were gone instantly.

Also, my Spiritual life had been revived because I was just a Christian without fire! I give all the glory to God of Shiloh.

— *Gugushe Mangosinathi*

10. Multiple Blessings via Shiloh Encounters!

"I learnt about Shiloh in 2011 while listening to one of Bishop David Oyedepo's messages, and I have attended the 2012, 2013 and the 2015 edition.

During Shiloh 2012, Bishop Oyedepo declared that our suffering was just for a moment as he read from 1 Peter 5:10. He further said that God would settle all the issues of our lives. Immediately, I dived into it and God settled the following areas: 90-million-shilling debt was cancelled. God healed my son of a five-year heart challenge. My daughter also had liver problem for seven years, but God healed her too.

Furthermore, I won a 12-year court case, and was paid 200,000 US Dollars. This happened after I gave all the naira, Dollars and Ugandan Shillings that I had as a onetime Shiloh sacrifice. In addition, God gave me a miracle car this year 2015. I give Him all the glory!"

— *Pst. Patrick Collins, M.(Uganda)*

of high blood pressure for 15 years. So the pastor invited us to Shiloh 2012.

The first day of Shiloh when we heard the teaching of Bishop Oyedepo, I told my wife that we have gone after doctors for long and that this is the right place for our deliverance.

We attended all the sessions of Shiloh and the healing classes. To the glory of God and to the shame of the devil on Friday we went for our medical checkup everything had gone. I am delivered of these 39 years of sickle cell anemia, healed of these 9 years of diabetes and my wife healed of 15 years of high blood pressure. Truly the God of Shiloh is awesome. — *Mr&Mrs Akoman Achille (Akouedo, Cote d'ivoire)*

12. Miracle baby after 18 years without fallopian tube.

18 years ago my wife fallopian tube was removed, it was therefore impossible for her to have another child. During Shiloh 2011, my wife and I came to this mountain with tears asking the Lord to visit us with a child. This is how,

after Shiloh 2011 the God of Shiloh visited us my wife took in and today our miracle baby is here with us. To God be all the glory. Mr & Mrs N'GUESSAN N. M. (Bouaké, Cote d'ivoire)

In conclusion, as it is written, "Thy testimonies have I taken as an heritage forever: for they are the rejoicing of my heart" — *Ps. 119:111.*

The above scripture points to the fact that every testimony is a pointer to the heritage of the redeemed of the Lord. Therefore, everyone of us should expect definite encounters with God at Shiloh 2020, that will result into diverse testimonies after the order of those listed in this publication and much more in Jesus' name. Amen.

Jesus is Lord!
